

ANNOUNCING!

Maximize Every Hour of Your Production!

1. Tell Thousands of New Homeowner Families About You and Your Great NHO Benefits.

They'll soon need a new dentist, and many an orthodontist!

Multiple New Homeowner Brochure Mailings will keep you before them until the time is right for them.

They'll soon come to know you through your mailings and feel comfortable in making their first appointment.

When one NHO family member becomes a patient, All NHO family members become patients!

You will have a Rich Harvest!

We reach out to 5 Miles to provide our clients the areas needed to bring in their NHO Family Members.

See the Best of All at the End!

2. Five Mailings to 5,000 Select Households Closest to Your Practice

Five 5k Close-Mailings and/or New Homeowner Mailings! There is a place for Both or Either One.

25,000 of very close mailings is very productive for many more new patients.

If Your Thinking is for only One Program...that's Great too. Consider which one will...

"Bring me the most money?"

"Better establish my community?"

And take the other Source later, if you like.

Do not hold back if you are not in position to do both the NHO Program and Close-Mailings. Select the Program that works best for you.
